Welcome to the New

The story of the new Russell High School is indeed a story of Progress and a dream come true . . . A dream shared by many and made to become a reality through the wonderful cooperation of the good citizens in our area with the Board of Education. We owe a debt of gratitude to all those who have placed our educational welfare above personal advantage and who have worked tirelessly to make our school one of the most modern in the state.

Industrial arts, drafting, art, music, and physical education are found in the North Wing. By nature, these classes are often more noisy and therefore they are separated from the South Wing by the dining area and a huge lobby. We call this lobby our Student Union.

South Wing is two stories and houses the language arts, the sciences, mathematics, social studies, business education and Home Economics Departments.

Our school is situated on a fifty acre tract of land in the Kenwood-Flatwoods area. It has approximately two and one fourth acres of floor space, which allows for forty-four teaching stations. We have facilities for 1200 students. The total construction cost was $883,351.91, which averaged only $9.33 per square foot—a figure which is considerably lower than the state and national average.

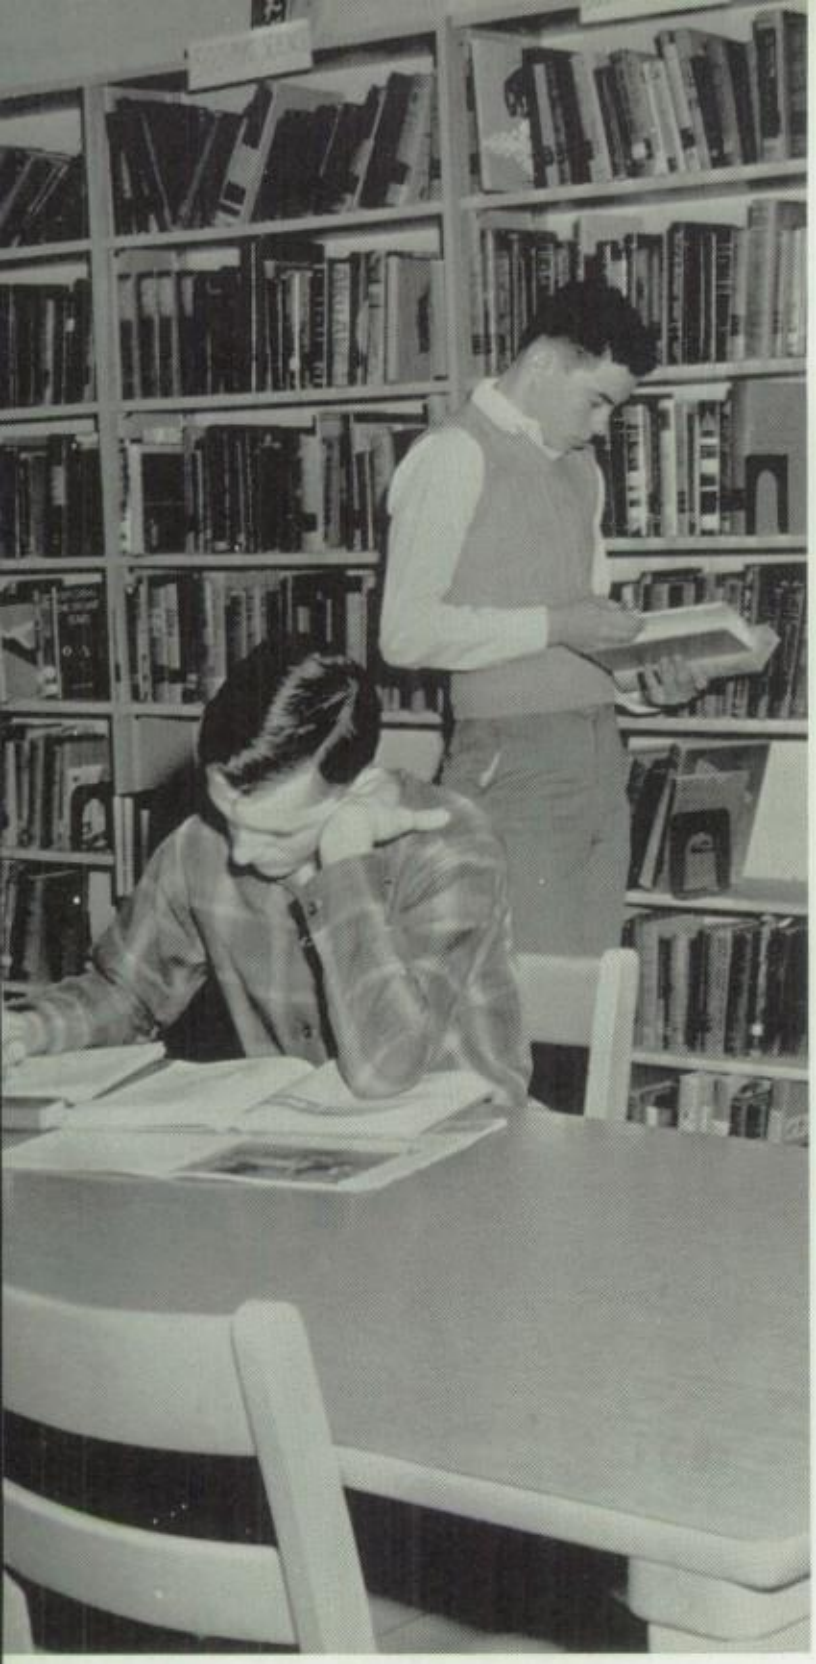
Russell students are always hungry so lunch time is a happy time. We have two lunch periods which gives our entire student body an opportunity to eat. We may either have a hot nourishing meal from the cafeteria menu or bring a lunch from home.



Good Library Is Essential to Class "A" School

The new library is a popular place for the majority of Russell High School Students. Here one may come for book reports, research, or perhaps to read a current magazine. Our library subscribes to twenty-five leading periodicals and three newspapers. Vaughn Evans is trying to decide on another book while Raymond Ross, seated at table, is doing some research.

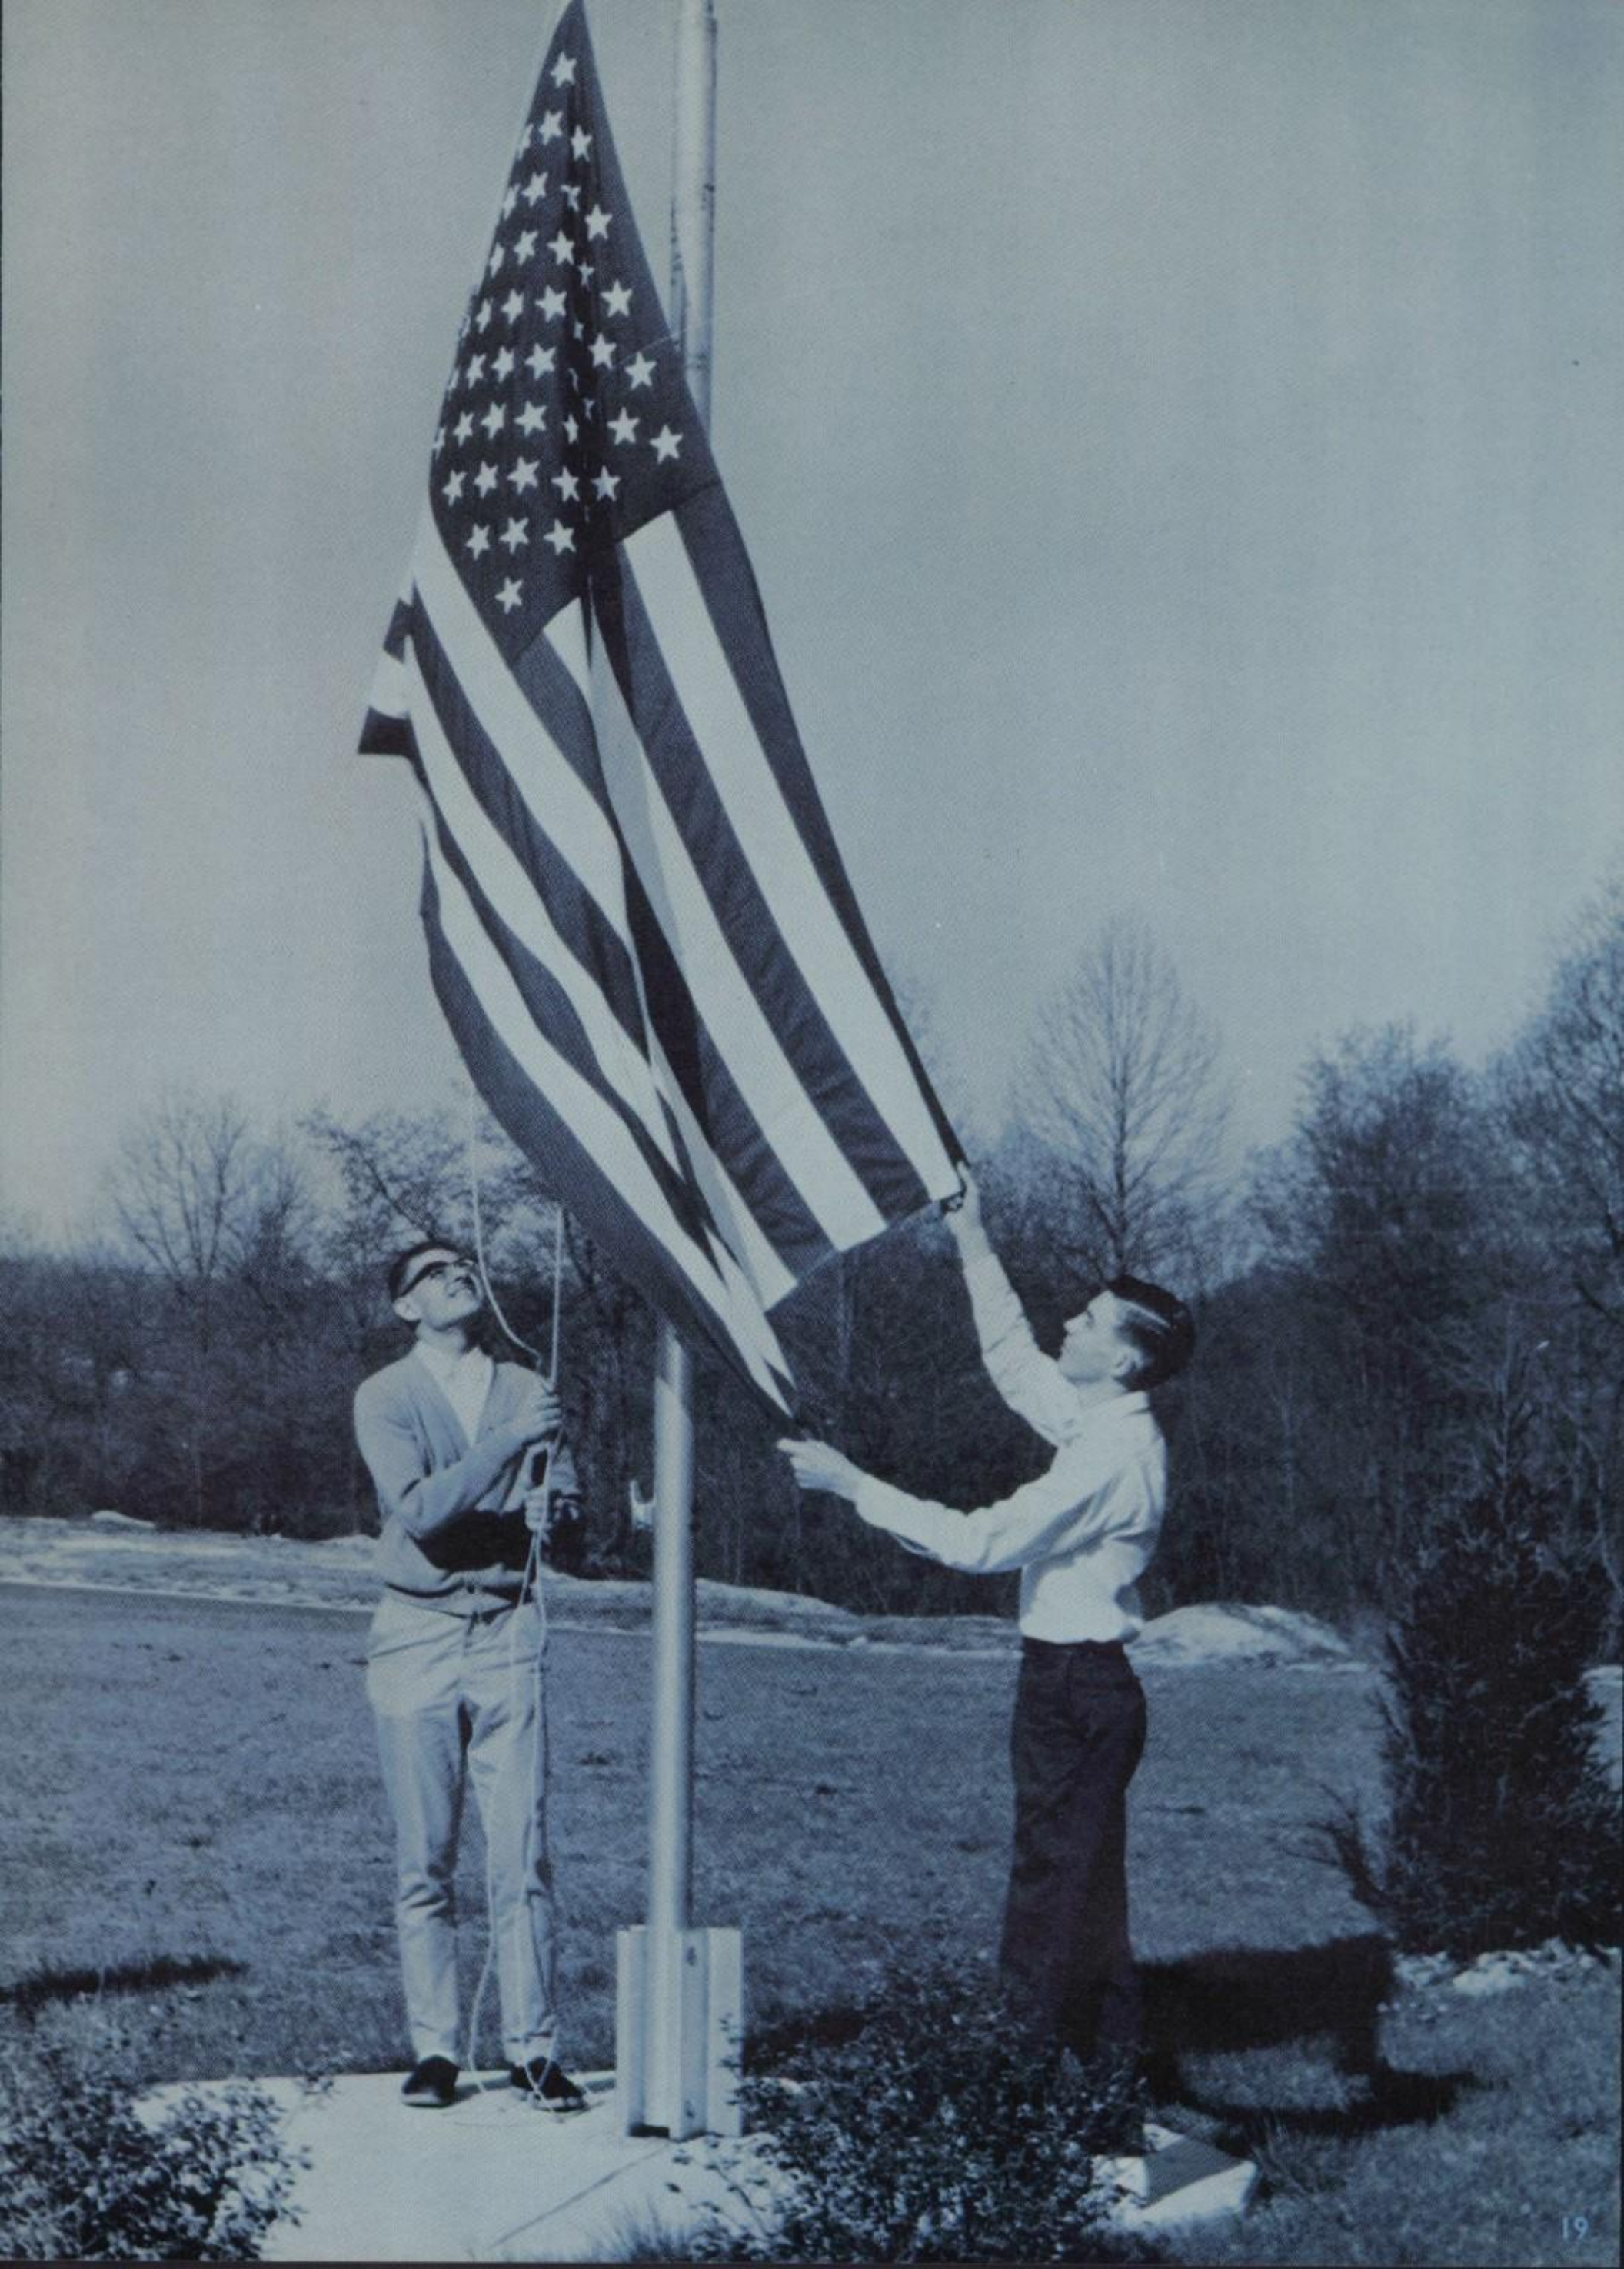
Challenges Await You at the New Russell High School.

"Careers never dreamed of lie ahead for the young man or woman with ideas, ambition, and ability . . ."

Karl T. Compton

We are challenged each day by the enriched curriculum offered at Russell High School . . . We are challenged by our teachers who inspire us not only to do our best, but to be at our best at all times . . . Our ideas are important and we are encouraged to explore them further. Ideas born in class rooms, later have great impact on the world at large. The New Russell High School offers many daily challenges to students with ambition. It is only through hard work that we will be able to meet these challenges.



Board of Education Was Responsible for Making Our Dream of a New High School Come True.

The Administration of the Russell Schools is carried on by the dedicated men who represent our Board of Education. Russell has always been very fortunate to have on its Board, men of vision. They have unselfishly given of their time at Board Meetings to administer to the needs of our school. They have provided Russell High School with a full curriculum which meets varied requirements of all the students.

The have also endeavored to secure highly trained faculty members who raise the educational standards of our school. Our Superintendent, Mr. Evans, is the Secretary of the Board of Education, Mr. Joe Stephens, the President. Other Board Members are: Mr. Sterling Norris, Mr. Thomas Wilson, Mr. Glenn Diedrich and Mr. Tim Herron.

To The Class of 1963

You will always be remembered as the "First class to graduate in the new building!" It was a wonderful privilege to have you lead the way in this important milestone in the development of our educational system. Adjustments were necessary—some easy, some difficult. Your response and leadership in making these necessary adjustments were outstanding and have set a precedent for those who follow.

Congratulations and best wishes for a happy life of useful service.

Pretty Beta girls are holding rose covered hoops to provide a beautiful arch for the line of march in Processional. Betas are: Marilyn Stephens, Leslie Ennis, Linda Wheatly, Judy Merritt, Edna Callihan, Sheila Bailey, Vicki Callihan, and Nancy Leake.

We Had a Wonderful Commencement Night

It was a night which climaxed our four years of work and fun at R.H.S. Many were the thoughts which traversed our minds as we solemnly marched in to the Band's Processional. We were elated to have Mr. Jesse Stuart as our speaker. He challenged us first to go out into the world and become good citizens. Then he challenged us to continue our education. We hope that all the members of the 1963 Senior Class will accept these challenges. We were proud of the speeches given by Kathy Callihan, Teva Meadows and Carol Bandfield. The music made us feel proud that we were able to live in America where we could enjoy so many freedoms . . . Then all too soon our name was called and we walked nervously to the stage and to receive our diploma and clutch our red rose . . . Our eyes grew misty . . . Our dream had indeed become a reality and now we must dream new dreams and commence a new life.

A Dream Come True -

Our school year officially began on August 30—Why, it's still summer! Notwithstanding, school starts anyway. Since we wanted to see our new school, we had eagerly looked forward to this day. We would be the first class to graduate from our new school . . . We were also the first class to graduate from McDowell Junior High . . . It can be said we were a very select group who were always "the first" in everything . . . The largeness and complexity of our new building confused us in the beginning. After getting lost several times, we soon learned our way around. We certainly had a beautiful new school and deep down, most of us realized that we were most fortunate to have the opportunity to go to Russell High School.

We're Seniors

We not only had a new building, we had a new Football Coach and seven new teachers. We believe in the adage "In order to have friends, one must be friendly." We were friendly, and it wasn't long before the teachers and students were our friends . . . We were amazed at the smooth manner in which everything went the first week of school. We want to give credit and say Thank You to Mr. Firestine, our Principal, for making this possible. He had worked and planned all summer for the opening of school. We agree that Planning Ahead pays off. It did not take long for us to adjust to the newness of school life. On Sept. 28, the Revilonian Staff had an Autograph Party to distribute the 1962 Revilonians . . . We had fun.

We had a dignified Senior Class meeting and chose Tommy Adkins for our President, Keith Stephens as Vice President, Kathy Callihan, Secretary, and Brenda Greene, Treasurer. Later Johanna Garvin was appointed Special Senior Savings Treasurer. Right away, we were making plans for our Senior Trip. Our Magazine Campaign was a huge success. We sold more magazines than any previous class. Oct. 28 was the date of Open House for our new school. Hundreds of people came to tour the building and attend our Dedication Ceremonies. Several of our seniors served as guides on this occasion. On Dec. 21, our long awaited Christmas Vacation begins. This was also the day Senior Magazine Awards were given out and Carolyn Evans was the happy recipient of the DAR award . . .

Was a Dream Come True

We had a WEIRD winter weatherwise. Sub-zero temperature prevailed for several days and we were snowbound . . . Then the Flu epidemic hit our area and many students got the bug . . . Despite the weather and the flu, school went on as usual with the exception of two days. We were happy that our school buses couldn't make it up or down the hill . . . So it can be said that neither rain, nor snow, nor sleet or ice, nor zero weather can keep us from school!! The biggest sports event of the year was the night we BEAT Ashland . . . Everybody was up on cloud 9 and almost didn't come down. Our athletic boys were honored at a banquet on Feb. 23. We didn't realize that R.H.S. had so many handsome boys . . .

Was Exciting Event in Senior Year.

Our Student Teachers came to us during the second semester. We especially enjoyed having Mr. Charles May in Senior English Class . . . Our Smorgasbord Dinner revealed good cooks and excellent dishwashers in our class. We were actually a talented group! We had that old determination when it came to making money for our New York trip. From then on, it was Lessons, TESTS, Games, Lessons, TESTS, TESTS, and occasionally (skip the word occasionally) Dates, Dances . . . then more Lessons and that ugly word again TESTS . . .

At a crucial moment, a foul was made and Dale Parker went to the free throw line. Waiting to rebound are Mr. Meredith, Tom Adkins, Mr. Wallenfelsz, Mr. Bishop, Kenny Grizzle, Hoby Whitt, Mr. Johnson. Referees are Steve Lewis and David Adams.

"They do me wrong who say I come no more—when once I knock and fail to find you in; For every day I stand outside your door and bid you wake, and rise to fight and win."

Walter Malone

Mrs. Smith, critic teacher, praised the fine work being done by both Mr. May and his students. Other students diligently at work are Connie Burton, Leroy Mayne, Tom Johnson, and Eddie Hannah.

The Red Devils played host for the first time this year to the Morgan County gridders. Coach Bishops' raiders started right off by showing the Blue Devils who was in charge of the game. Hoby Whitt uncorked a 55 yard gallop for the first RHS touchdown. Whitt, later grabbed a Blue Devil punt and returned it 62 yards for the second Big Red Touchdown. Early in the second quarter "BoBo" Williams scored his first score since his injury in the RHS-Wurtland game.

As the half drew nigh Buddy Castle and Mark Burdette pulled off a beautiful draw play which covered 18 yards. The half ended 26-0 Russell. The second half saw the Red Devils going with their second team most of the way. They penetrated twice into the Blue Devil territory.

John Callihan, Keith Stephens, Danny Morris, Fred Witten

Farewell Lineup of Our Fabulous Four Senior Stars

We will miss these Seniors next year. John Callihan brought the Devils out of many tight spots. Keith Stephens is another who played a great game of basketball. Danny Morris fought hard on the hardwood, while Fred Witten made an outstanding contribution to Red Devil history. Our best wishes go with these boys in their future endeavors.

Co-Captains Dave Adams and Steve Lewis Hold NEKC Championship Trophy

Russell's Red Devils avenged an earlier loss to Boyd County to take a 52-47 overtime thriller in winning the Championship Contest of the NEKC Tournament. The game was a seesaw affair throughout until Russell outscored the Lions 7-2, in the overtime. Russell High School is very proud of their Red Devil Team.

Russell placed three boys on the All-Tournament Squad. They are: Dave Adams, Sonny Taylor, and Steve Lewis.

Russell Wins in OT for NEKC Crown.

The Buzzer Has Sounded and It's All Over - the Russell Fans Go Wild.

It was a rugged defensive battle all the way. Our boys had a well balanced attack. Sophomore Sonny Taylor led the winning Red Devil attack with 15 points and guard Steve Lewis canned 11 markers. Also Dave Adams, Danny Morris and Fred Witten came through with eight points each.

Thus climaxed one of the most thrilling games in many a year.

Coach Marvin Meredith is Voted "Coach of the Year"

Our own Coach Meredith was named Coach of the Year in the 64th District by a vote of all the coaches in the district. He was presented his trophy award by Jesse Stuart, well-known Greenup County author, following the championship game between Ashland and Russell.

Coach Meredith led our team to many victories. We defeated our cross town rivals the Ironton Tigers twice and played four straight thrilling games with Boyd County. We won our third straight N.E.K.C. Tournament by beating Boyd County 52-47 in overtime. We won a Regional trip to Morehead by again beating Boyd County in the last six seconds on a shot by Dave Adams. Each player had his moments of glory during the season and will long be remembered by Russell fans such as Fred Witten scoring 16 points against Fairview in one half. Steve Lewis' great game against Frankfort, Danny Morris' last two free throws against Ashland which assured us of our victory, John Callihan's great game against Ironton, Sonny Taylor's great game against Holy Family and Dave Adams' record setting game against McKell and Keith Stephen's great defensive game against Louisa.

Yes, EXCITING is the word to describe our 1962-63 season.

Friendships Await You at the New Russell High School

"The friends thou hast and their adoption tried, grapple them to thy soul with hooks of steel."

Shakespeare

Russell High School is a friendly school and new students are made to feel at home. Friendships found here are of the lasting kind. The numerous class reunions which occur every year attest to that fact. The students who graduate will always have wonderful memories of Russell High School.

Activities

Activities hit a new high this year and Russell Clubs boomed with ambition and enthusiasm. The reasons were the new facilities offered at the beautiful High School. Because of more room, membership increased in many of our clubs. High spirit, good leadership, and ambitious goals made our club activities very successful.

Future Teachers Gain Professional Outlook

Members of the F.T.A. Club gained invaluable experience at McDowell Junior High. They served as substitute teachers while the regular faculty attended important meetings. A better insight into the responsibilities of the teaching profession was gained through this experience. The purpose of the F.T.A. Club is to create interest in teaching and to recruit worthy students for future teachers. We are very proud of the Edyth Yoak Chapter of the F.T.A. Newly-Organized Student Council Endeavors to Establish Better Student-Teacher Relationships

Under the capable leadership and helpful assistance of Mr. Rollins and Mr. Wallenfelsz, a Student Council was organized. Immediately following the election of officers, plans and projects were initiated. The Student Council was successful in setting up a study room for those students who arrive early in the morning. Council members also exerted great effort toward drawing up a constitution. After much toil, hard work, and some "politickin'," the constitution was finally passed.

The Student Council has set up democratic voting practices which went into effect at the May election. The students were required to register before being allowed to vote. The purpose of this is to make the students conscious of democratic practices in government. The Student Council has made many plans for next year and we know that they will have the cooperation and support of the student body.

The annual variety show sponsored by the Beta Club was a huge success this year. The proceeds from this event were used to defray the expenses of Seniors attending the State Convention.

R.H.S. Had an Array of Talent

More Beta Talent

Jane Hardiman, sophomore songstress, warbled a melodious melody for her contribution to the Beta Variety Show.

After the show popular senior, Sissi Meadows, shows her congeniality by offering Chuck Simpson a drink of water.

Washington Tour Was Exciting View Into

At 8:30 A.M. we arrived in Washington. We immediately boarded sightseeing buses for a tour of the public buildings. Stopping first at the Capitol we walked through the Senate Chamber and the House. At 5:30 P.M. we left Washington for New York City via buses. We all agreed that we had learned firsthand an invaluable lesson in American History.

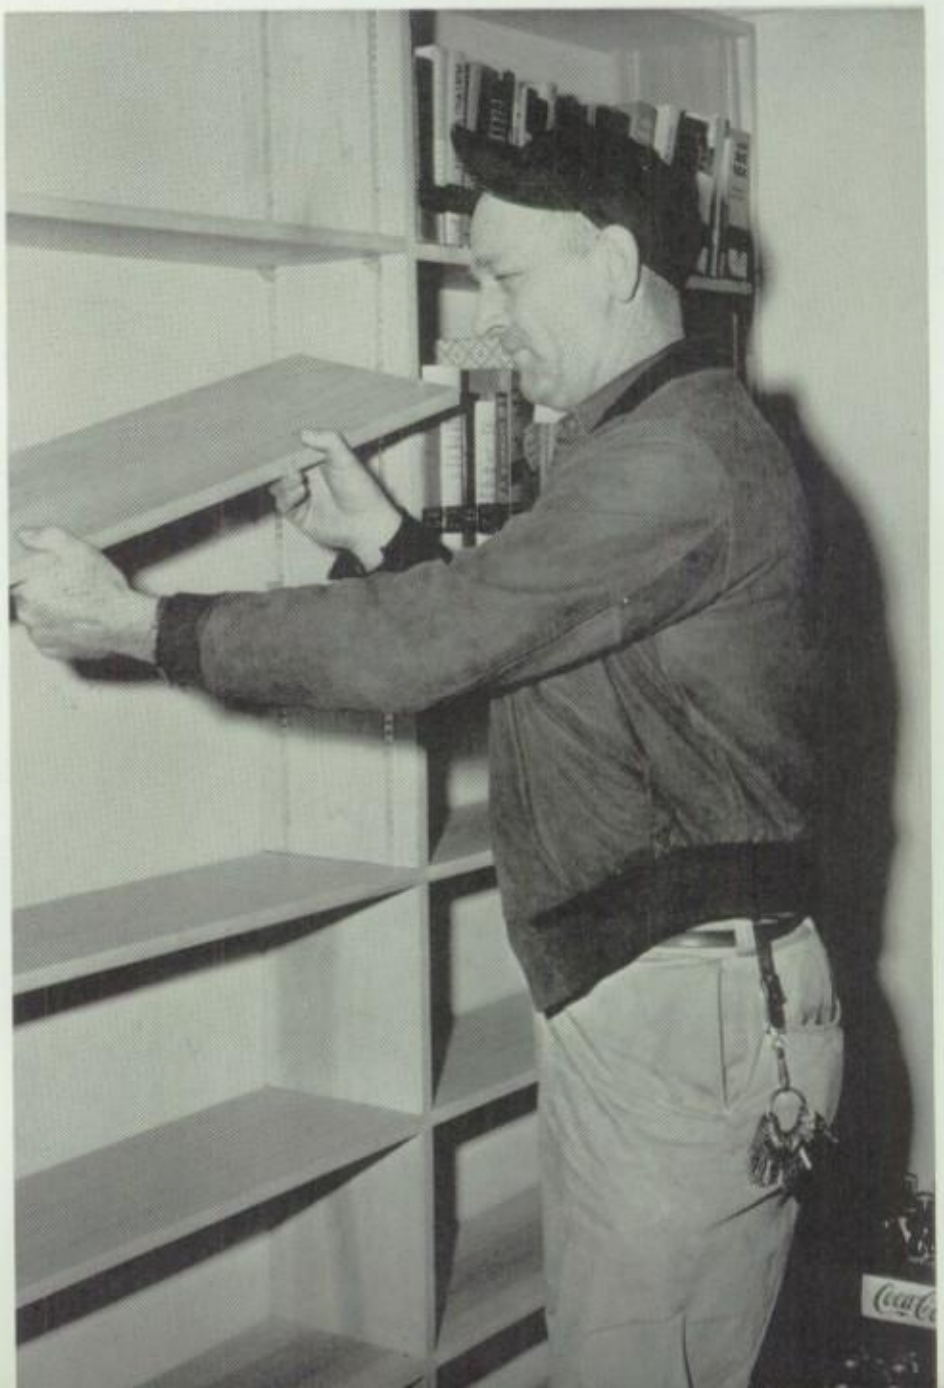
We will always remember that daily call over the intercom for Mr. James Salyers. He helped out with everything that wouldn't work. Mrs. Mae Willis is pictured assisting him with one of their many duties.

Mr. Floyd Taylor, Jr., is the Superintendent of Maintenance. He is shown here adjusting the shelves in the Library workroom.



Our Cooks keep us healthy and if we are wise, we will eat in the lunchroom. Cooks are: Mrs. Reynolds, Mrs. Thomas, Mrs. Callihan, Mrs. Taylor.

Judy Merritt, Associate Editor, Carolyn Evans, Editor-in-Chief, Betty Litteral, Typist

Well, we're off to the presses! Our part of putting the 1962-63 school year on paper is over. It has been a busy month and a half. Copy sheets, rough drafts, gutters, margins, and other nomenclature of yearbook circles will always be remembered by our staff. "Hand me a ruler!" "Where's my pencil?" "What's the eraser doing on the floor?" These and other descriptive phrases were heard many times in the past six weeks.

We've had our problems. Working late one night, we apprehended a policeman or did he apprehend us? He was patroling the school for prowlers. We almost lost Miss Fouts when she was injured in the first digit while pulling weeds. After a few shots and scores of pills she was soon back on the job.

Working on the 1963 Revilonian has been an enjoyable experience which we shall never forget. Many times we thought our work would never be completed, but through the expert guidance and continuous efforts of our capable advisor, Miss Fouts, this year's annual became a reality.

We wish to express appreciation to Teva Meadows, Business Manager, Jennie Evans, Advertising Editor, Connie Castle, Circulation Manager. Special thanks go to Betty Litteral, our typist. Other members of the staff were Carol Bandfield, Toni Fosson, Julie Goldcamp, Vicki Harris, Sandy Lynd, Penny Winters, Brenda Greene and Emily McMillan.

Many thanks go to Mr. Bo McMillan, special photographer. We also wish to thank our patrons and advertisers for supporting our book financially.

It is our hope that the 1963 Revilonian will keep fresh and alive for all students the events of the past year.

ARMCO IS IN THE EDUCATION BUSINESS

WHY SHOULD A STEEL COMPANY be in the education business?

WE ARE CONVINCED that the continued growth of our company depends upon the training and abilities of our people.

A VARIETY OF FREE COURSES is offered to Armco men and women. Courses range from blueprint reading to advanced metallurgy and management. Some of our teachers are university professors.

ARMCO'S EDUCATIONAL PROGRAM helps employees to learn more about job skills, company operations or earn credit toward college degrees.

ONE OF EVERY FOUR Armco employees enrolls each year in a company training class or a university course. Our students know that it takes trained brains to make and sell steel. They know that they will earn bigger paychecks as their understanding and skills improve.

HIGH SCHOOL GRADUATES who qualify may take advantage of more than 100 different training programs. Some become skilled journeymen after four years of on-the-job and classroom instruction. Others take courses at colleges and universities. And Armco pays the tuition.

IT TAKES TRAINED BRAINS to make steel. This is why Armco is in the education business. And this is why we urge you to finish your high school education. Whether you plan to work for a steel company or in some other field, we are sure you will discover that it takes trained brains to get ahead today.
